

Acronyms and Abbreviations

Researched and compiled by Joe Cyr (www.joe-cyr.com)

D

D/A Digital-to-Analog; Density Altitude (*e.g.*, "high DA" = "high-density altitude")

D/NAPS Day/Night Adverse Weather Pilotage System (U.S. Army)

D-DACT Dismounted Data Automated Communications Terminal

D-RAPCON Deployable Radar Approach Control

D-S³ DARPA Syndromic Surveillance System

D²ISRM Deliberate and Dynamic Intelligence, Surveillance and Reconnaissance Management (system *ca* 2012)

D2 Damage and Destroy (*e.g.*, against electronic systems)

D⁴ Deny, Disrupt, Deceive, Degrade

D5 Deceive, Deny, Disrupt, Degrade, and Destroy (*e.g.*, USAF techniques and technologies to counter computer information systems *ca* 2007)

DA Design Automation; Data Administrator; Direct Analog (*e.g.*, synthesis); Direct Action (*e.g.*, special operations); Development Aircraft

DAA Designated Approving Authority (DoD)

DAB Defense Acquisition Board; Digital Audio Broadcast

DAC Defensive Aids Computer; Defense Acquisition Challenge; DASS Computer; Deployable Air Command and Control System Component

DACCIS Danish Army Command and Control Information System

DACE Digital Acquisition and Control Electronics

DACS Divert and Attitude Control System

DACT Digital Automated Communications Terminal; Data Automated

Communications Terminal (USMC system)

DAFT Dust and Aerosol measurement Feasibility Test [NASA]

DAHI Diverse Accessible Heterogeneous Integration (DARPA program ca 2013)

DAI Digital Audio Interface; Distributed Artificial Intelligence

DAIRS Distributed Aperture InfraRed System

DAGGERS Distributed Advanced Graphics Generator and Embedded Rehearsal System (*e.g.*, for rehearsing soldier missions in a virtual environment)

DAGR Defense Advanced GPS Receiver; Direct Attack Guided Rocket

DALLADS Danish Army Low Level Air Defense System

DAM Direct Access Method; Data Addressed Memory; Digital Asset Management

DAMA Demand Assigned Multiple Access

DAMASK Direct Attack Munition Affordable SeeKer

DAME Distance and Altitude Measuring Equipment

DAML DARPA Agent Markup Language (based on XML)

DANTAN Detection Avoidance Navigation/Threat Avoidance Navigation

DAP Digital Army Program (Israel); DoDAF Architecture Protocol

DAQ Data Acquisition

DAR Anti-Radar Drone (German); Defense Acquisition Regulations

DARC Direct Access Radar Channel

DARE Data Arrival and Retrieval Enhancement; Defense Avionics Research Establishment (India)

DARPA Defense Advanced Research Projects Agency (Originally [1958] ARPA; it was changed to DARPA on Mar 1972, then to ARPA in Feb 1993, then to its current [2002] name, DARPA, in Feb 1996 [Source: *DARPA web*

site www.darpa.mil/body/arpa_darpa.html]

DARS Digital Audio Radio Services; Defense Architecture Repository System

DART Dynamic Analysis (and) Replanning Tool; Detection, Action, and Response Technique; Display for Advanced Research & Training; Dual Anamorphic Reflector Telescope; Dynamically Adaptive Receiver Transmitter; Driven Ammunition Reduced Time-of-flight (*e.g.*, projectile with guidance computer steering canard control surfaces); Demonstration of Autonomous Rendezvous Technology (*ca* 2004); Designer's Augmented Reality Toolkit; Digital Advanced Receiver Technology (U.K.)

DART-T Dual-mode All-band Relocatable Tactical Terminal

DARTS Design Approach for Real-Time Systems; Design and Analysis of Reference Threat Signature

DARWARS [Acronym for DARPA Training Superiority program]

DARWIN Dynamic Analytical Reporting Web-based Interactive Navigator

DAS Defense Aids Suite (U.K.); Defensive Aids System; Distributed Aperture System (*e.g.*, part of an imagery system); Defensive Aids Suite; Decision Analysis Support

DASADA Dynamic Assembly for System Adaptability, Dependability, and Assurance

DASALS Distributed Aperture Semi-Active Laser Seeker (*e.g.*, a sensor that receives laser energy reflected from a target to guide the missile to the target)

DASC Direct Air Support Center

DASD Direct Access Storage Device

DASER DAzzling laSER (NONLETHAL rifle)

DASH Drone Anti-Submarine Helicopter (*circa* 1955)

DASO Demonstration and Shakedown Operation

DASS Defensive Aids Subsystem (Eurofighter); Demand Assignment Signaling and Switching; Defensive Aircraft Survivability Suite

DAT Digital Audio Tape

DATAS Depressed-Angle Towed Array Sonar

DAU Defense Acquisition University (merged with Defense Systems Management College DSMC)

DAW Deep Attack Weapon

DAWE Division (XXI) Advanced Warfighting Experiment

DAWG Deputy Advisor Working Group (USAF); Deputy Advisors Working Group (USAF *ca* 2007)

DAWGS Difference Acoustic Wave Generation System

DAWMS Deep Attack Weapons Mix Study

DAWN Defense Attaché Worldwide Network

DAWS Digital Advanced Wireless Service; Defense Automated Warning System

dB decibel

dBA Decibels acoustic

DBA Dominant Battlefield Awareness; Dominant Battlespace Awareness

DBC Digital Battlefield Communications

DBD Digital Bearing Discrimination

DBE Digital-Based Exciter

DBF Digital Beam Forming

DBIS Defense Biometric Identification System (*e.g.*, hand-held scanner for reading bar codes on ID cards)

DBK Dominant Battle Knowledge; Dominant Battlefield Knowledge; Dominant Battlespace Knowledge

DBL-CIP Digitization Battlespace Land-Combat Infrastructure and Platform (U.K. battlefield information system)

dBm Decibel referenced to the power of 1 milliwatt

DBM Dynamic Battle Management

DBMS Database Management System

DBR Dual Band Radar

DBRC Defense Base Closure and Realignment Commission

DBS Direct Broadcast Satellite; Doppler Beam Sharpening

DC Direct Current; Data Channel; Digital Computer; Display Console; Duty Cycle

DC² Distributed Command and Control

DC2E Deployable Command & Control Equipment

DCA Defensive Counter-Air; Defense Communications Agency; Damage Control Assistant (shipboard)

DCAPES Deliberate Crisis Action Planning and Execution Segment (USAF planning tool *ca* 2002)

DCATS Dedicated Communications Advanced Transmission System

DCB Directional Control Beacon (lens used, *circa* 1950, to replace Fresnel lenses on lighthouses)

DCC Damage Control Central (Navy); Defensive Counter Cyber

DCCH Digital Control CHannel

DCEE Distributed Continuous Experimentation Environment

DCGS Distributed Common Ground System; Distributed Common Ground Surface (system); Distributed Common Ground Systems

DCGS-A Distributed Common Ground System - Army

DCGS-MC Distributed Common Ground System - Marine Corps

DCGS-N Distributed Common Ground Surface system - Navy

DCGSS Distributed Common Ground Surface System

DCI Defense Capability Initiative

DCIIS Defense Counterintelligence Integrated Information System

DCMAT Central Materiel Directorate (France)

DCO Defensive Cyber Operations (as opposed to “Offensive Cyber Operations – OCO”)

DCOE&ST Dominant Cyber Offensive Engagement & Supporting Technologies (USAF *ca* 2008)

DCP Depth Charge Projector; Decision Coordinating Paper; Dual Circularly Polarized (antenna); Defense Capability Plan

DCPDB Distributed Characteristics and Performance Database

DC&T Detection, Classification, and Tracking

DCS Digital Camera System; Data Communication System; Direct Commercial Sales; Defensive Counterspace (operations); Defensive Counter Space; Dry Combat Submersible

DCT Discrete Cosine Transform (imagery compression); Detection, Classification and Targeting; Digital Communications Terminal; Developing Critical Technologies

DCTN Defense Commercial Telecommunications Network

DCTS Defense Collaboration Tool Suite; Defense Collaborative Tool Suite

DCU Dynamic Component Upgrade (*e.g.*, for Seahawk helicopter)

DCW Digital Chart of the World

DD Direct Digital (*e.g.*, synthesis); Destroyer (naval ship); Differential Doppler

D-DACT Dismounted Data Automated Communications Terminal (also DDACT)

DDB Dynamic DataBase

DDC Detection Data Converter

DDCMP Digital Data Communications Message Protocol

DDCS Direct Digital Chirp Synthesizer

DDDDD Deception, Disruption, Denial, Degradation, and Destruction [Also called "The Five Ds"] (USAF)

DDG Guided Missile Destroyer

DDI Defensive ECM and Decoy Integration; Direct Digital Interface; Decoy and Defensive Integration

DDL Dispersive Delay Line

DDM *Detecteur de Départ de Missile* (French missile launch detector)

DDM-SAMIR *Detecteur De Missile-Système d'Alerte Missile InfraRouge* (IR missile warning system, France)

DDN Defense Data Network; Digital Data Network

DDR Digital Receiver Replacement (for NAVSPASUR)

DDS Direct Digital Synthesizer; Direct Digital Synthesis; Data Display System; Digital Data Storage; Dry Deck Shelter (for swimmers); Data Distribution System; Defense Dissemination System (View the logo for Defense Dissemination System); Data Distribution Service

DDSP Digital Doppler Signal Processor

DDT Deflagration to Detonation Transition

DE Directed Energy ; Display Electronics; Destroyer Escort; Diagnostic Emulator

DEA Drug Enforcement Agency; Defensive Electronic Attack (a segment of

IEWS)

DEAD Destruction of Enemy Air Defenses (See also SEAD)

DEAL Defense Electronics Application Laboratory (India)

DECC Defense Enterprise Computing Center

DECIDE DEployable Capability for Information Dissemination and Exchange

DECM Deceptive Electronic Countermeasures; Defensive Electronic Countermeasures

DECT Digital Enhanced Cordless Telecommunications; Digital European Cordless Telecommunications

DEE Department Enterprise Email (DoD)

DEES Dynamic Electromagnetic Environment Simulator

DEF Defense; Defense Entrepreneurs Forum

DEFCON DEFense CONdition (see also INFOCON)

DEFEW DEFensive Electronic Warfare

DEFSMAC Defense Special Missile and Astronautics Center

DEIS Defense Enterprise Integration Services; Draft of Environmental Impact Statement

DEL Delaware; Delete

DEM Digital Elevation Model

DEMON Diminishing Error Method for Optimization of Networks

DEMS Distributed Explosive Mine Neutralization System

DEOS Deployable End Office Suite (USMC)

DEP Distributed Engineering Plant; Department of Environmental Protection; Data Execution Prevention

DEPS Directed Energy Professional Society

DEPSCoR Defense Experimental Program to Stimulate Competitive Research

(ca 2007)

DEPTH Design analysis for Personnel Training and Human Factors

DERA Defense Environmental Restoration Account

DES Data Encryption Standard; Discrete Event Simulation

DESC Defense Electronics Supply Center; Description

DET Distributive Explosive Technology; Detachment

DEUCE Deployable Universal Combat Earth mover

DEW Directed Energy Weapon ; Directed Energy Warfare ; Distant Early Warning

DEWD Distributed Electronic Warfare Development (USAF program ca 2010)

DEWINT Directed Energy Weapons Intelligence

DEWS Digital Electronic Warfare Suite; Digital Electronic Warfare System

DEW-V Directed Energy Warfare Vehicle

DF Direction Finding ; Deflection Factor; Dissipation Factor; Deuterium Fluoride (laser)

DFAD Digital Features Analysis Data

DFB Distributed Feedback (*e.g.*, lasers)

DFBW Digital Fly-By-Wire

DFC Digital Flight Control; Distinguished Flying Cross

DFCS Digital Flight Control System; Digital Fire Control System

DFD Digital Frequency Discriminator; Data Flow Diagram

DFDR Digital Flight Data Recorder

DFE Design-For-Environment

DFI Direction Finding Interference

DFINT Direction Finding and Intelligence

DFO Design For Ownership

DFP Defensive Fire Position (formerly "foxhole" ?)

DFR Digital Filter Replacement (for NAVSPASUR); Direct Finger Reader

DFS Direction Finding System

DFT Dual Function Terminal; Discrete Fourier Transform

DGA *Délégation Générale pour l'Armement* (French defense-procurement agency)

DGCS-A Distributed Common Ground/Surface System-Army

DGCS Distributed Common Ground/Surface System-Navy

DGEN Digital Generator

DGPS Differential Global Positioning System

DHS Department of Homeland Security

DHTML Dynamic HyperText Markup Language

DI²E Defense Intelligence Information Enterprise

DIACAP DoD Information Assurance Certification and Accreditation Process

DIADS Digital Integrated Air Defense System

DIAL Differential Absorption LIDAR

DIANE Digital Integrated Attack Navigation Equipment (*ca* 1967)

DIAP Defense-wide Information Assurance Program

DIB DCGS Integration Backbone

DIC Detection In Clutter

DICAS Directional Command-Activated Sonobuoy

DICE Defense [Department] Interoperability Communications Exercise (Annual exercise - *ca* 2005); Dynamic Integrated Communication Environment

DIDHS Deployable Intelligence Data Handling System

DIDS Distributed Intrusion Detection System

DIEPS Digital Image Exploitation and Production System

DIFAR DIRectional Frequency Analysis and Recording

DII Defense Information Infrastructure; Defence Information Infrastructure (U.K.)

DIICOE Defense Information Infrastructure Common Operating Environment (also DII-COE and DII COE)

DII (F) Defence Information Infrastructure - Future (U.K.)

DIME Dense Inert Metal Explosive (dense metallic particles, such as tungsten, added to a high-explosive chemical mixture); Diplomatic, Informational, Military and Economic; Dynamic Infrared Missile Evaluator (USAF); Dynamic Infrared Missile Evaluation (USAF)

DIMHRS Defense Integrated Military Human Resources System (2004 DoD new pay and personnel system)

DIMUS Data Integration in MUltisensorial System (surveillance of underground transportation infrastructure: tunnels, tracks, platforms, ...)

DIN Defense Intelligence Network

DINA DIrect Noise Amplification

DINS Dual Inertial Navigation System

DIP Dual In-line Package (RAM chip)

DIR Dwell Illumination Region

DIRCM Directional Infrared Countermeasures

DIRECT Defense IEMATS Replacement Command and Control Terminal

DIRS Distributed Infrared System

DIS Distributed Interactive Simulation; Distributed Interface Simulation; Defense Intelligence Service; Data Intensive System

DISA Defense Information Systems Agency (See the [DISA Logo](#))

DISC Direct Injection Stratified Charge (engine, *circa* 1979)

DISCONE [DISk-CONical antenna](#)

DISE Deployable Intelligence Support Element (Army)

DISN Defense Information Systems Network

DISN-LES Defense Information System Network-Leading Edge Services

DISS Digitized Ionospheric Sounding System

DISSP Defense-wide Information System Security Program; DoD Information System Security Program

DITPR Defense Department Information Technology Portfolio Repository

D²ISRM Deliberate and Dynamic Intelligence, Surveillance and Reconnaissance Management (system *ca* 2012)

DITS Deployable Integrated Combat Suite (USMC)

DITSCAP DoD Information Technology Security Certification and Accreditation Process

DITSO Defense Technology Services Organization

DIVADS Division Air Defense System

DIVO DIgital Video Option

DIVOT Digital-to-Voice Translator

DIWSA Digital Imagery Workstation Suites Afloat

DIY Do-It-Yourself

DJC² Deployable Joint Command and Control (system)

DJIOC Defense Joint Intelligence Operation Center

DKO Defense Knowledge Online

DL [Diode Laser](#); Delay Lens (antenna)

DLEC Digital Local Exchange Carrier

DLG Digital Laser Gyro; guided missile frigate (View [logo for USS King DLG-10](#))

DLI Deck-Launched Interceptor

DLIR Down-Looking InfraRed

DLL Dynamic Link Library (visit a [DLL Archive](#) to download free copies of DLLs)

DLP Digital Light Processor; Digital Light Processing (*e.g.*, projector)

DLRP Data Link Reference Point

DLS Decoy Launching System; Data Link System

DLT Digital Linear Tape

DM Depot Maintenance

DMA Direct Memory Access

DMART Disaster Mortuary Response Team (USMC)

DMCD Directed Missile Countermeasures Device

DMD Digital Micro-mirror Device

DME Distance-Measuring Equipment

DMEA Damage Modes & Effects Analysis

DMIS Disaster Management Interoperability Services; Development, Manufacture and Initial Support (U.K. procurement)

DMO Distributed Mission Operations

DMP Data Management Processor; Depot Maintenance Period (*e.g.*, for a ship)

DMPI Designated Mean Point of Impact

DMR Dynamic Modular Radio; Digital Modular Radio; Dual-Mode Radar

DMRD Defense Management Report Decision

DMS Data Multiplex System; Diminishing Manufacturing Sources; Dual Mode Seeker; Distribution Management System; Dual-Mounted Stinger

DMS Defense Messaging Service; Defense Messaging System (scheduled to completely replace AUTODIN by 2004 - visit DMS Acronym Web page); Defense Message System

DMSP Defense Meteorological Space Program; Defense Meteorological Support Program; Defense Meteorological Satellite Program

DMT Discrete MultiTone; Distributed Mission Trainer (*e.g.*, F/A-18 simulator)

DMU Digital Microwave Upgrade (program)

D/NAPS Day/Night Adverse Weather Pilotage System (U.S. Army)

DNATS Day and Night Airborne Thermal Sensor

DNC Director of Naval Communications; Digital Nautical Chart

DNC® Digital Nautical Chart

DND Doppler Noise Decoy (standoff jamming)

DNDO Domestic Nuclear Detection Office (DHS)

DNI Digital Non-Interpolated

DNN Dual Node Network (*e.g.*, in Multi-INT fusion architecture)

DNR Dialed-Number Recorder

DNRT Digital Noise Riding Threshold

DNS Domain Name System; Domain Name Server

DNSIX Defense Network Security Information Exchange

DNVT Digital Non-secure Voice Terminal

DO Distributed Operations (USMC)

DOA Direction of Arrival

DOARS Dynamic Open Architecture Radio System

DOCEX Document Exploitation (system)

DoD Department of Defense (view the DoD logo)

DOD Direct Outward Dialing; Digital Optical Disk

DoDAF Department of Defense Architecture Framework (Also DODAF)

DODIIS Department of Defense Intelligence Information System (Also DoDIIS)

DOE Department of Energy; Design of Experiments

DOEHRS-IH Defense Occupational Environmental Health Readiness System - Industrial Hygiene

DOF Degrees of Freedom

DOG Deployable Operations Group (USCG)

DOI Digital Object Identifier (*e.g.*, on the Internet)

DON Department of the Navy

DOP Dilution of Precision (*e.g.*, in a positioning system)

DOQ Digital Orthophoto Quadrangle (digital imagery); Digital Ortho Quadrangle

DORAN Doppler Range and Navigation

DORI Database Of Retinal Images (*e.g.*, public database)

DOS Disk Operating System ; Denial of Service (Internet)

DOT Designated Optical Tracker; Department of Transportation

DOTH Defense of the Homeland

DOTMLPF Doctrine, Organization, Training, Materiel, Leadership, Personnel, and Facilities (also DOTLMP-F)

DOV Data Over Voice (See also DUV)

DOW Died of Wounds

DP Data Processing; Distribution Point; Dynamic Programming; Distributed Power

DPB Deployable Pursuit Boat (USCG)

DPCM Differential Pulse-Code Modulation

DPD Diver Propulsion Device; Digital Pre-Distortion

DPI (also dpi) Dots per inch

DPICM Dual-Purpose Improved Conventional Munitions

DPN Defense Private Network (Iraq - *ca* 2007); Dip Pen Nanolithography (*i.e.*, tip-based nanofabrication process)

DPO Distribution Process Owner (*e.g.*, in defense logistics)

DPP Discharge Produced Plasma (*e.g.*, plasma source for transistor lithography systems - see also LPP)

DPPDB Digital Point Positioning Database

DPPS Defense Procurement Payment System [(2001) replacing MOCAS]

DPR Dual-Ported Random access memory; Digital Pattern Recorder

DPRK Democratic People's Republic of Korea (North Korea)

DPSA Dual Polarized Sinuous Antenna

DPW Desert Patrol Vehicle

DQPSK Differential Quadrature-Phase-Shift Keying

DQS Deployment Qualification System (USAF)

DQW Dynamic Quarantine of computer-based Worm attacks (*e.g.*, DARPA program *ca* 2007)

DR Dead Reckoning (navigation); Disaster Relief

DRADM Dual Role Air Dominance Missile

DRaFT Digital Radio Frequency Tags

DRAM Dynamic Random Access Memory

D-RAPCON Deployable Radar Approach Control

DRASH Deployable Rapid Assembly Shelter

DRB Division Reaction Brigade (USMC)

DRE Ducted Rocket Engine

DREAM Directed Radio-frequency Energy Assessment Model

DREEM Drone RF Electronics Enhancement Mechanism (program)

DREN Defense Research and Engineering Network

DRES Digital Radar Environment Simulator

DRFM Digital RF Memory

DRG Diagnosis Related Group (*e.g.*, system for patient classification)

DRI Defense Reform Initiative

DRIER Dial-Up Rate IP (Internet Protocol) Over Existing Radios

DRIW Data Resiliency in Information Warfare (system)

DRM Design Reference Mission (used in NCW); Dead Reckoning Module; Digital Rights Management (*e.g.*, software piracy protection)

DRMS Distant Root Mean Square

DRO Dielectric Resonator Oscillator

DRP Downward Refractory Profile

DRPM Direct Reporting Program Manager

DRSN Defense Red Switch Network

DRSP Defense Reconnaissance Support Program

DRT Dead-Reckoning Tracer

DRU Disaster Response Unit (USCG)

DS Direct (frequency) Synthesis (as opposed to IS); Direct Sequence (a SPREAD SPECTRUM technique); Data Set; Deep Space

D-S³ DARPA Syndromic Surveillance System

DSA Dynamic Spectrum Access (*e.g.*, software which allows safe frequency sharing by tactical radios *ca* 2008)

DSABL Depth and Simultaneous Attack Battle Lab (Army)

DSAT Digital Satellite Acquisition Terminal

DSAWG DISN Security Accreditation Working Group

DSB Double-Sideband

DSCS Defense Satellite Communications System

DSF Deployable Specialized Force (USCG)

DSI Digital Speech Interpolation; Defense Simulation Internet

DSID Dismounted Soldier Identification

DSCOVR Deep Space Climate Observatory (also known as "Triana" in honor of *Rodrigo de Triana*, the first member of Columbus' crew to spot America)

DSCS Defense Satellite Communications System

DSHMRA (Deep Seabed Hand Mineral Resources Act (1980))

DSL Digital Subscriber Line

DSLAM Digital Subscriber Line Access Multiplexer

DSM Digital System Model; "Don't Shoot Me;" Digital Simulation Model

DSMAC Digital Scene Matching Area Correlation (*e.g.*, in TOMAHAWK systems)

DSMC Defense Systems Management College (merged with DAU, *circa* 2003)

DSN Defense Switched Network; Digital Signal Network

DSNET Defense Secure Network

DSO Dielectrically-Stabilized Oscillator; Digital Storage Oscilloscope; Defensive Systems Operator (*e.g.*, bomber aircraft station); Division for Special Operations (Germany); Defense Spectrum Organization

DSP Digital Signal Processor; Defense Support Program; Direct Signal Processing; Digital Signal Processing

DSPN Direct Sequence Pseudo Noise

DSR Data Set Ready (communications protocol signal); Directed Stick Radiator

DSRN Defense Switched Red Network

DSRV Deep Sea Recovery Vehicle; Deep-Submergence Rescue Vehicle

DSS Deep Space Surveillance; Decision Support System; Digital Signature Standard; Dismounted Soldier Simulator (Canada)

DSSM Digital Single Sideband Modulator

DSSS or DS/SS Direct Sequence Spread Spectrum

DSSV Dismounted Soldier System Unit

DST Decision Support Template; Daylight Savings Time

DSTB Deployable Site Transport Boundary (also known as "NMCI in a box")

DSTL Defence Science and Technology Lab (UK)

DSU Data Storage Unit (loaded by TAMPS)

DSUP Defensive Systems Upgrade Program

DSV Dynamic Signature Verification

DSVL Doppler Sonar Velocity Log (system)

DSVR Design Specification Validation Report

DSVT Digital Secure Voice Terminal

DT Detection and Tracking; Developmental Test (part of U.S. procurement process)

DTC DMS Transition Center; Digital Technical Control

DTCI Defense Transportation Coordination Initiative (*ca* 2006)

DTCS Distributed Tactical Communications System (USMC)

DTD Data Transfer Device

DTE Data Terminal Equipment; Data Transfer Equipment

DTED Digital Terrain (mapping) Elevation Data

DTEN Defence Training and Experimentation Network (Australia)

DTES Division Tactical Exploitation System

DTF Distance To Fault

DTG Date Time Group

DTH DMS Transition Hub

DTI Doppler Time Intensity

DTIC Defense Technical Information Center (view DTIC logo)

DTIU Data Transfer Interface Unit

DTLOMS-PF Doctrine, Training, Leadership, Organization, Materiel and Soldiers - People and Facilities

DTO Digitally Tuned Oscillator

DTT Dynamic Tactical Targeting

DTIW Defense Technical Information Web

DTLS Datagram Transport Layer Security

DTM Digital Terrain Map; Dynamic Target Model; Digital Terrain Modeling

DTMF Dual Tone Multi Frequency ("Touchtone™")

DTN Delay Tolerant Networking

DTO Digitally Tuned Oscillator

DTPEWS Design-To-Price Electronic Warfare Suite

DTR Data Terminal Ready (communications protocol signal); Data Transfer Rate

DTRA Defense Threat Reduction Agency (DoD)

DTS Digital Terminal System; Digital Theater System (a DVD format); Defense Transportation System; Distributed Targeting System (*e.g.*, for IR weapons)

DTSP Division TUAV Signals (intelligence) Program

DTU Data Transfer Unit (*e.g.*, part of aircraft EW system)

DTV Driver's Thermal Viewer; Digital Television

DTW **DODIIS** Trusted Workstation; Detect to Warn (system)

DU Depleted Uranium

DUCC Deep Underground Command Center

DUGSS Deployable Unattended Ground Sensor System

DUSS Deployable Undersea Sensing System (NATO)

DUST Dual-Use Science and Technology (Army program)

DUV Data Under Voice (See also DOV); Deep Ultraviolet

DUV Deep UltraViolet (light)

DVB Digital Video Broadcast

DVB-RCS Digital Video Broadcast - Return Channel via Satellite

DVCO Digital Voltage Controlled Oscillator

DVD Digital Video Disk; Digital Versatile Disk

D-VDR Digital-Video Disc Recorder

DVD-RAM Digital Video (or Versatile) Disk - Random Access Rewritable

DVE Distributed Virtual Environment; Driver's Vision Enhancer

DVFR Defense Visual Flight Rules

DVH Driver's Vision Enhancer (thermal imaging)

DVI Driver Vehicle Interface; Digital Vertical Incidence (ionogram); Digital Video Interface

DVO Direct View Optics

DVR Design Validation Report

DVT Design Verification Testing

DW Deep Water (> 200 feet)

DWB Designer's Workbench

DWDM Dense Wavelength Division Multiplexing

DW Deep Water (mine-detection)

DWDM Dense Wavelength-Division Multiplexing; Dense Wave Division Multiplexing

DWFG Digital WaveForm Generator

DWS Distributed Wargaming System; Dispenser Weapon System

DWT Discrete Wavelet Transform; Deadweight Tonnage

DWTS Defense Wide Transmission System

DXC Digital cross connect

DZ Drop Zone
