E

E/ED Electrical/Electronic Distribution (*e.g.*, system)

E&R Evasion and Recovery

E-TREC Electronic Treasury Enterprise Card (*e.g.*, for building access)

E^3 Electromagnetic Environmental Effects

E3D Exploitation of 3-D data

EA Electronic Attack; Electrical Actuator (*e.g.*, for ailerons); EAch (*e.g.*, unit of supply); Enterprise Architecture

EA-PUP Electronic Attack – Pod Upgrade Program (*ca* 2010)

EADS Expeditionary Air Defense System; European Aeronautic Defense and Space (Company)

EADF Enhanced Automatic Direction Finder

EADR Enhanced Active Decoy Round (UK Royal Navy, *ca* 2014)

EADTB Extended Air Defense TestBed

EAF Expeditionary Airfield

EAGLE Extended Airborne Global Launch Evaluator; Enterprise Acquisition Gateway for Leading Edge

EAI Enterprise Application Integration

EAITE Exchange of Actionable Information at the Tactical Edge (ONR Program *ca* 2012)

EAM Emergency Action Message

EAP Experimental Aircraft Prototype

EAPUP Electronic Attack Pod Upgrade Program (ca 2010; also EA PUP)

EAR Echelon Audio Receiver

EARF Electronic Attack Request Form

EARS Electromagnetic Aircraft Recovery System; Expendable Acoustic Remote Sensor; Effective Affordable Reusable Speech-to-text

EARV Eagle Airborne Reconnaissance System (Malaysia)

EAS Electronic Article Surveillance; Emergency Avionics System;

EAS Emergency Alert System (replaced EBS)

EASM Emergency Action Support Message

EATC Electric Armor Test Carrier

EATES Electronic Attack Test & Evaluation System (*ca* 2011)

EATO Electronic Assist Take Off (e.g., for UAVs)

EATS Extended Area Tracking System

EB Electron Beam

EBCCD Electron-Bombarded Charge Coupled Device

EBCDIC Extended Binary-coded Decimal Interchange Code

EBL Electronic Bearing Line (*e.g.*, in electronic navigation)

EBO Effects-Based Operations

e-BOC e-Borders Operations Centre (U.K.)

EBS Emergency Broadcast System (replaced by EAS)

EC Electronic Combat (formerly ECM); European Community; Error Correcting; Evolutionary Computing

Electrochemical Capacitor; Electronic Commerce; Electronics & Countermeasures

ECA Extended Coverage Area

ECAC Electromagnetic Compatibility Analysis Center (DoD)

ECAL Equipment Calibration

ECAV Enhanced Common Aero Vehicle

ECB Electrically Controlled Bifringence (displays)

ECC Error Control Code; Error Correcting Code ; Elliptical Curve Cryptography

ECCM Electronic Counter-Countermeasures

ECCS Electrical, Communications, and Cyber Systems (*e.g.*, research division of the National Science Foundation); Expeditionary Cellular Communication Service (International Security Assistance Force *ca* 2010)

ECIPS Electronic Combat Integrated Pylon System (NATO)

ECDIS Electronic Chart Display & Information System; Electronic Charting Display & Information System

ECDIS-N Electronic Chart Display & Information System - Navy

ECDL External Cavity Diode Laser

ECF European Combat Fighter

ECHO EW Environment Simulation

ECI Export Controlled Information

ECIPS Electronic Combat Integrated Pylon System

ECISAP Electronic Combat International Security Assistance Program

ECIX Electronic Component Interchange (standard)

ECL Emitter Coupled Logic; Emitter Control Logic (semiconductors)

ECM Electronic Countermeasures ; Electronic Combat Measures

ECMO ECM Officer

ECMES Electronic Combat Modeling & Evaluation

ECM/TG Electronic Countermeasures/Target Generator

ECN Emergency Communications Network

ECO Electron-Coupled Oscillator; Earth-Crossing Orbit

ECP Engineering Change Proposal; Extended Coherent Processing

ECPINS Electronic Chart Precise Integrated Navigation System

ECPINS-M Electronic Chart Precise Integrated Navigation System-Military

ECR Electronic Combat & Reconnaissance; Electronic Combat Reconnaissance; Electronic Cash Register; Electronic Combat Range (*e.g.*, at China Lake)

ECS Environmental Control System (*e.g.*, component cooler)

ECSF Electronic Combat Support Flight

ECTS Electronic Combat Training System

ECU Emitter Classification Unit; Electronic Conversion Unit

ED Electronic Device; Electric Drive

EDA Electronic Design Automation; Excess Defense Article (*e.g.*, for transfer to allies. A forerunner was the Vietnam era, *ca* 1970, accelerated turnover of assets to Vietnam, or ACTOV); Emplacement Decision Aid (*e.g.*, for the Family of Scatterable Mines)

EDACS Enhanced Digital Access Communications System

EDC Error Detection and Correction

EDCE Electric-Drive Control Electronics

EDD Experimental Destroyer (USN ship classification); Envelope Delay Distortion (*e.g.*, in a radio receiver)

EDDE Experimental Escort Destroyer (USN ship classification); ElectroDynamic Debris Eliminator (NASA ca 2009)

EDE Electronic Defense Evaluator

EDGE Enhanced Digital Geodetic Environment; Enhanced Data rates for

Global Evolution; Enhanced Data GSM Environment; Enhanced Data rates for G(lobal)S(ystem_M(anagement) Evolution

EDI Electronic Data Interchange (X.12); Engineering Disposal Instruction (USAF); Electronic Data Interface

EDIG European Defense Industrial Group

EDM Engineering Data Management; Engineering Development Model; Engineering Disposition Management (USAF); ElectroDischarge Machine

EDOCC Enhanced Deep Operations Coordination Center

EDP Engagement Decision Point; Electronic Data Processing

EDR Engineering Disposition Request (USAF)

EDS Explosive Detection System (*e.g.*, for airport security); Environmental Data Server (USCG)

EDSI European Defense and Security Initiative

EDTS Expanded Data Transfer System

EE EW Expendable; Electrical Engineering

EED Electroexplosive Device

EEDSK Early Entry Deployment Support Kit (*e.g.*, permits tracking inventory items as they are distributed to units)

E/ED Electrical/Electronic Distribution (*e.g.*, system)

EEI Essential Element of Information

EELD Evidence Extraction and Link Discovery

EELI Evidence Extraction and Link Discovery (TIA program)

EELV Evolved Expendable Launch Vehicle (USAF); Enhanced Expendable Launch Vehicle

EEMIT Experimental Evaluation of Major Innovative Technologies (DARPA)

EEP Elliptical-Error Probable (location accuracy)

EEPROM Electrically Erasable/Programmable Read-only Memory

EER Explosive Echo Range

eESWA Enterprise Expeditionary Strike Warfare Architecture

EEZ Exclusive Economic Zone; Economic Exclusion Zone

EF Expedited Forwarding (network data)

EFCS Electronic Filmless Camera System

EFDS Expeditionary Force Development System (USMC)

EFIS Electronic Flight-Instrumentation System; Electrical Flight Instrument System

EFM Enhanced Fighter Maneuverability

EFOG-M Enhanced Fiber Optic Guided Missile

EFOV Effective Field Of View

EFP Exponential Floating Point (algorithm) [also LNS]; Explosively-Formed Penetrator; Explosively-Formed Projectile

EFSS Expeditionary Fire-Support System

EFV Expeditionary Fighting Vehicle

EFVS Electronic Fighting Vehicle System

EFA European Fighter Aircraft

EFP Explosively-Formed Projectile; Explosively Formed Penetrator

EFV Expeditionary Fighting Vehicle

EGA Enhanced Graphics Adapter

EGCM EndGame CounterMeasures

EGEE Enabling Grids for E-sciencE (European Union)

EGI Embedded GPS/Inertial (navigation system)

EGNOS European Geostationary Navigation Overlay Service (satellite

system)

EHAM Electronic Home Arrest Monitor

EHE ElectroHydraulic Effects

EHF Extremely High Frequency (30 - 300 GHz)

EHVL Enhanced HyperVelocity Launcher

EIA Electronic Industries Association

EiB exbibytes - (*e.g.*, binary exa: 2^{60}), equal to 2^{10} PiB (pebibytes)

EICAS Engine Indication and Crew Alerting System

EID Electronic Identification Device

EIEIT Enterprise Interoperability and Emerging Information Technologies

EIM Enterprise Information Management

EIMSS Egyptian Integrated Mission Support System

EIRP Effective Isotropic Radiated Power

EIS Environmental Impact Statement; Earth Imaging System

EISA Extended Industry Standard Architecture

EISS Enhanced Integrated Sensor Suite

EIT Electromagnetically Induced Transparency

EIW Economic Information Warfare

EJ Escort Jammer

EJAB Electronic Jammer Against Bombs [*e.g.*, against IEDs] (Poland *ca* 2006)

EKMS Electronic Key Management System

EKOE Environmental Knowledge and Operational Effectiveness (NATO)

EKP Enterprise Knowledge Platform

EKRAN Coastal surveillance and navigation control system (Bulgaria, *ca*

2006)

EKV Exoatmospheric Kill Vehicle ("Smart Rock")

EL Electroluminescence

ELAMS Enhanced Lightweight Air-mobile Modular Shelter

ELAR Enemy Launch Acceptability Region

ELB Extended Littoral Battlespace

ELCID Early Limited Combat Identification

ELECTRO-OPTINT Electro-Optical Intelligence

ELES Enhanced Launcher Electronics System (*e.g.*, for NATO missile launchers)

ELEVON ELEVator and ailerON (aircraft control surface combining functions of elevator and aileron)

ELD Expendable Laser Decoy; Emitter Location Data

ELF Extremely Low Frequency (3 Hz - 3 kHz)

ELI Extreme Light Infrastructure (Beamline laser system – Czech Republic *ca* 202013)

ELINT Electronics Intelligence

ELISA Electronic Intelligence by Satellite (*e.g.*, French satellite *ca* 2007)

ELITE Electronic Warfare Live Training Exercise (Germany)

ELMM Enhanced Land/Maritime Mode (*e.g.*, E-8C aircraft system)

ELMS Electronic Mail System

ELOS Extended Line-of-Sight

ELS Emitter Location System; **ESSM** Launching System

ELSEC Electronics Security

ELT Emergency Locator Transmitter

ELV Expendable Launch Vehicle

ELVIS Expendable Launch Vehicle Integrated Support (NASA)

EM Electromagnetic; Emergency Maintenance; Engineering Manual; Emergency Management

E-MAIL Electronic Mail

EMA Evolution in Military Affairs (*e.g.*, IW EMA)

EMAA European Missile Adaptive Approach (*e.g.*, enhancement for Aegis ships ballistic missile defense)

EMAC Emergency Management Assistance Compact (*e.g.*, among states in the USA)

EMALL Electronic Mail (DoD project)

EMALS Electromagnetic Aircraft Launching System; Electromagnetic Aircraft Launch System

EMARSS Enhanced Medium Altitude Reconnaissance and Surveillance System

EMATT Expendable Mobile ASW Training Target

EMBARC Electronic Mail Broadcast to a Roaming Computer

EMBC Electromagnetic Battle Management

EMBM Electromagnetic Battle Management

EMC Electromagnetic Compatibility; Engineered Military Circuit

EMCON Emission Control

EMD Engineering Manufacturing Development; Engineering and Manufacturing Development; Electro-Muscular Disruption (*e.g.*, from a NONLETHAL WEAPON (NLW))

EMDS Electronic Music Delivery System

EMDU Enhanced Main Display Unit (*i.e.*, *circa* 2002 upgrade program for the E2C Hawkeye)

EMDW Expendable Mine-Destructor Weapon (system - Navy)

EME Electromagnetic Environment; Electromagnetic Energy

EMERALD Event Monitoring Enabling Responses to Anomalous Live Disturbances

EM/ET Electromagnetic/Electrothermal (gun)

EMI Electromagnetic Interference ; Electron Magnetic Interference; Electromagnetic Induction

EMID Electromagnetic Intrusion Detector

EMIO Expanded Maritime Interception Operations (U.S. Navy)

EML Electromagnetic Launcher

EMM Expanded Memory Manager

EMMW Electromagnetic Maneuver Warfare

EMNS Expendable Mine Neutralization System

EMO (Russian acronym for "Electromagnetic weapons"); Electronic Maintenance Officer

EMOE Electromagnetic Operating Environment

EMP Electromagnetic Pulse; Electromechanical Power; Electromagnetic (pulse) Protection

EMPP Expedient/Modular Physical Protection (*e.g.*, of air bases)

EMPAR European Multifunction Phased Array Radar

EMPRS Enroute Mission Planning and Rehearsal System

EMR Electromagnetic Radiation; Electronic-combat Multi-function Radar; Electromagnetic Rail-gun; Extraordinary Magnetoresistance

EMS Electromagnetic Susceptibility; Expanded Memory Specification; Energy Management System; Earth-Moon System; Electromagnetic Spectrum

EMSA Electromagnetic Spectrum Attack

EMSC Electromagnetic Spectrum Control

EMSD Electromagnetic Spectrum Domain

EMSE Electromagnetic Spectrum Exploit

EMSEC Emission Security

EMSM Electromagnetic Spectrum Management

EMSO Electromagnetic Spectrum Operations

EMSP Enhanced Modular Signal Processor; Electromagnetic Spectrum Protect

EMSS Enhanced Mobile Satellite Services (*e.g.*, IRIDIUM SATELLITE SYSTEM)

EMST Electromagnetic Spectrum Traffic

EMSW Electromagnetic Spectrum Warfare

EMTE ElectroMagnetic Test Environment; ElectroMagnetic Threat Environment

EMU ElectroMagnetic Unit

EMUT Enhanced Manpack UHF Terminal (formerly AMUT)

EMW Expeditionary Maneuver Warfare

EMV Electromagnetic Vulnerability

EMW Engineer & Mine Warfare; Expeditionary Maneuver Warfare (USMC)

EN Explosive Neutralization (program)

ENATD Explosive Neutralization Advanced Technology Demonstration (also EN/ATD)

ENCE Enemy Situation & Correlation Element

ENCOMPASS Enhanced Consequence Management Planning and Support System

ENDP Exception to National Disclosure Policy

ENEWS Effectiveness of Navy EW Systems

ENOB Effective Number of Bits (*e.g.*, in an analog-to-digital converter)

ENS Ensign; Explosive Neutralization System; Electronics, Networking, and Systems

ENSYN Environmental Synthesizer

ENUM Electronic Number (*e.g.*, communications data record)

ENVG Enhanced Night-Viewing Goggle

ENVIS Evader's Night Vision Imaging System

EO Electro-Optics; Explosive Ordnance

EO DAS Electro-Optical Distributed Aperture System (*e.g.*, for the F-35)

EOB Electronic Order of Battle

EOB-EGS Electronic Order of Battle - Environmental Generation System

EOC Emergency Operations Center; Early Operational Capability (USMC)

EOCCM Electro-Optic Counter-Countermeasures

EOCM Electro-Optic Countermeasures

EO DAS Electro-Optical Distributed Aperture System (*e.g.*, for the F-35) (also EODAS)

EODMU Explosive Ordnance Disposal Mobile Unit

EODT Explosive Ordnance Disposal Training

EOF End of File

EOGB Electro-Optical Guided Bomb

EOID Electro-Optic Identification

EOIP Everything-Over-Internet Protocol (also EoIP)

EOLOROPS Electro-Optical Long Range Oblique Photography System

EOP Electro-Optic Processor; Earth Observing Platform; Engineering

Operating Procedure

EOQ Economic Order Quantity

EORSAT Electronics Intelligence Ocean Reconnaissance Satellite

EOS Earth Observing System

EOSAS Electro-Optical Signature Analysis System (USAF)

EOSAT Earth Observation Satellite

EOSDIS Earth Observing System Data and Information System

EOSM Electro-Optical Support Measures

EOSS Electro-Optic Surveillance System; Engineering Operational
Sequencing System

EOT End of Transmission; Electro-Optical Tracker

EOTDA Electro-Optical Tactical Decision Aids

EOTS Electro-Optical Targeting System

EOTV Electric Orbital Transfer Vehicle

EOWTS Electro-Optical Warfare Analysis Effort (program)

EP Electronic Protection (formerly ECCM); Emergency Preparedness;
Evolutionary Procurement; Electronic Protect

EPA Environmental Protection Agency; Educational Partnership Agreement
(*e.g.*, between U.S. Army and a university)

EPAF European Participating Air Forces

EPAM Electron, Proton, and Alpha Monitor

EPASS Electronic Portal Access Service (for the Internet)

EPAWSS [F-15] Eagle Passive/Active Warning Survivability System

EPC Electronic Power Conditioner; Enhanced Pentagon Capability; Electronic
Product Code

EPDS Electronic Processing and Dissemination System

EPFCG Explosively Pumped Flux Compression Generator (see EXPLOSIVE MAGNETIC FLUX COMPRESSOR)

EPG Electronic Proving Ground

EPICCCS Enhanced Polygon Integrated Command Control and Communication System

EPIGE *Escadron de Programmation et d'Instruction de Guerre Électronique* (French)

EPIRB Emergency Position-Indicating Radio Beacon

EPL Emitter Parameter List; ELINT Parameter List

EPLD Electronically Programmable Logic Device

EPLRS Enhanced Position Location & Reporting System; Enhanced Position Location Reporting System

EPM Electronic Postmark; Electronic Protective Measures (*e.g.*, special waveforms or encryption measures to establish secure communications - also called ECCM); Emergency Propulsion Motor (*e.g.*, on a submarine)

EPMD Enterprise Performance Management Database

EPROM Electrically Programmable Read-Only Memory

EPS Electronic Protection System; Emergency Propulsion System

EPSMMCS Electronic Protection System Multimedia Communication System

EPX Electronic Private Exchange

EQM Environmental Quality Modeling and Simulation

E&R Evasion and Recovery (see Personnel Recovery)

ER Exfiltration Rocket

ERA Explosive Reactive Armor

ERAM ECCM Requirements and Assessments Manual

ERAPS Expendable Reliable Acoustic Path Sonobuoy

ERASE Electronic Radiation Source Elimination

ERAST Environmental Research Aircraft and Sensor Technology

ERCS Emergency Rocket Communications System (*circa* 1963)

ERG Emergency Response Guidebook (Department of Transportation *ca* 2008 [ERG-2008])

ERGM Extended-Range Gun Munition; Extended-Range Guided Munition

ERINT Extended Range Intercept Technology; Extended Range Interceptor

ERIP Engine Reliability Improvement Program

ERIS Exo-atmospheric Reentry Vehicle Interception System

ERLink Emergency Response Link

ERM Earth Resource Monitoring

ERMC Extended Range Mortar Cartridge

ERMES European Radio Messaging System

ERMP Extended Range Multi-Purpose (*e.g.*, UAV program)

ERO Extended Refueling Overhaul (*e.g.*, of a ship)

EROS Earth Resource Observation System

ERP Effective Radiated Power ; Equivalent Radiated Power; Enterprise Resource Planning; Enterprise Resource Planner; Enterprise Resource Project

ERRF European Rapid Reaction Force

ERS EUROPEAN SPACE AGENCY Remote-sensing Satellite; Electrically Reconfigurable Ship; Earth Research Satellite

ERSS Expeditionary Resuscitative Surgical System (USN)

ERTS Earth Resources Technology Satellite

ES Echo Sounding; Electromagnetic Switching; Error Seconds; Electronic Warfare Support Measures ; Expert System; Electronic Support; Electronic Suppression

ES**2** Every Soldier a Sensor (*e.g.*, simulation program *ca* 2004)

ES^3 Electronic Sensors and Systems Sector (also called ESSS)

ES^4 Electromagnetic Spectrum Satellite Surveillance System

ESA Electronically-Scanned Array; European Space Agency; Electric Surge Arrester; Electronic Safe and Arm (fuzing technology); Electronically Scanned Antenna; Effective Surveillance Area; Enhanced Situational Awareness (*e.g.*, to be installed on the GUARDRAIL system ca 2008)

ESAD Electronic Safety and Arming Device

ESAI Expanded Situational Awareness Insertion (USAF)

ESAMS Enhanced Surface-to-Air Missile Simulator

ESAR Enhanced Synthetic Aperture Radar

ESC Electronic Systems Center (USAF); *Escape* key on computer terminal keyboard; Enhanced Satellite Capability

ESCD Emerging Security Challenges Division (NATO)

ESD Electrostatic Discharge; Exploitation Support Data

ESDS Electrostatic Discharge Sensitive

ESE Electronic Surveillance Enhancement; Electronic Support Enhancement

ESEX Electronic propulsion Space EXperiment

ESF Emergency Support Function (*e.g.*, after a disaster)

ESG Expeditionary Strike Group

ESJ Escort Jamming

ESLRF Eye-Safe Laser Range-Finder

ESM Electronic-warfare Support Measures ; Electronic Support Measures; Electronic Security Measures

ESMC Explosive Standoff Mine Clearer

ESMB Explosive Stand-off Minefield Breacher

ESMF Environmental and Ship Motion Forecasting (*e.g.*, radar/lidar/inertial measurement system to provide 30-second prediction of effect of waves and wind on ship motion, *ca* 2013)

ESMI Extended Sample Matrix Inversion Technique

ESN Electronic Serial Number (*e.g.*, for cellular telephone)

ESOnet European Seafloor Observatory Network (*e.g.*, planned [*ca* 2007] ten permanent undersea observatories, from the Arctic Ocean to the Black Sea)

ESR Equivalent Series Resistance (*e.g.*, capacitor)

ESRP European Security Research Programme

ESS ELINT Support System; Environmental Stress Screening; Electronic Switching System

ESSI Enhanced Special Structural Inspection (*e.g.*, of naval aircraft)

ESSM Enhanced Sea Sparrow Missile

ESSM Evolved SeaSparrow Missile

ESSOR European Secure Software Defined Radio (program *ca* 2014)

ESSS Electronic Sensors and Systems Sector (also called ES[3])

EST Electronic Support Training; Eastern Standard Time; Estimated; Engagement Skills Trainer

ESTOL Extremely Short TakeOff and Landing

ESTS Electronic System Test Station

ESU Electronic (system) Support Unit (USCG)

ET Electrothermal; Electronics Technician; ExaByte (quintillion, or 10^{15} bytes); Executive Transport

ET&A Education, Training & Awareness

ETA Estimated Time of Arrival

ETC ElectroThermal Chemical (propulsion or gun); Electronics Technician Chief; Enhanced Tactical Computers

ETCS Expeditionary Tactical Communications System (USMC use of the IRIDIUM SATELLITE SYSTEM)

ETD Explosive Trace Detection; Expected Time of Departure

ETE Earth-To-Earth (mission)

ETETS End-To-End Test System

ETICS Embedded Tactical Information Control System

ETIMS Enhanced Technical Information Management System

ETM+ Enhanced Thematic Mapper Plus (*e.g.*, LANDSAT instrument)

ETO Earth-To-Orbit (Launcher)

ETOS Effective Time On Station (*e.g.*, for a UAV)

ETPL Endorsed Tempest Products List

ETR Estimated Time to Repair

ETRAC Enhanced Tactical RAdar Correlator

E-TREC Electronic Treasury Enterprise Card (*e.g.*, for building access)

ETS Engineering Test Satellite; Emergency Telecommunications Service

ETSSP Enhanced Tactical Satellite Signal Processing

ETT Embedded Training Team

ETUT Enhanced Tactical Users Terminal

EUCLID European Cooperation for the Long Term in Defense

EULA End User License Agreement (DoD)

EUP Equipment Usage Profile

EuroDASS Eurofighter self-protection system

EURON European Robotics Research Network

EUSS Expeditionary Underwater Sensor System

EUT End-User Terminal

EUV Extreme UltraViolet

EUVE Extreme UltraViolet Explorer (satellite)

EUVL Extreme UltraViolet Lithography

EV Electron Volt; Electric Vehicle

EVA Extra-Vehicular Activity (space term)

EVADE ECM Vulnerability Assessment Data Encyclopedia

EVD Enhanced Versatile Disc

EV-DO Evolution-Data Only [also EVDO] (*e.g.*, broadcast data standard)

EVM Earned Value Management (Software project management)

EVS Enhanced Vision System

EW Electronic Warfare

EWACS Early Warning and Control System

EWAISF Electronic Warfare Avionics Integration Support Facility (USAF)

EWALL Electronic (card) Wall

EWAP Electronic Warfare Aggressor Program

EWAR Electronic Warfare

EWAT Electronic Warfare Advanced Technology; Electronic Warfare Advanced Training

EWBM-SA Electronic Warfare Battle Manager Situation Awareness

EWC Electronic Warfare Coordinator

EWC^2 Electronic Warfare Command and Control

EWCAP Electronic Warfare Continuum Assessment Program

EWCC Electronic Warfare Coordination Center; Electronic Warfare Coordination Cell

EWCD Electronic Warfare Concept Demonstrator (*e.g.*, R&D program)

EWCM Electronic Warfare Coordination Module

EWCP Electronic Warfare Control Processor

EWCS Electronic Warfare Core System

EWCU Electronic Warfare Control Unit

EWEP Electronic Warfare Evaluation Program

EWES Electronic Warfare Evaluation System

EWGCI Electronic Warfare Ground Controlled Intercept

EWIR Electronic Warfare Integrated Reprogramming

EWIRDB Electronic Warfare Integrated Reprogrammable DataBase; Electronic Warfare Integrated Reprogramming DataBase

EWISSP EW Integrated Systems for Small Platforms

EWMP Electronic Warfare Master Plan

EWMS Electronic Warfare Management System

EWMU Electronic Warfare Management Unit (Europe)

EWO Electronic Warfare Operator - USAF (2002: phasing out in favor of WSO); ARMY (2006: term covers enlisted and officers)

EWO Electronic Warfare Officer; Emergency War Order

EWOAG Electronic Warfare Operational Advisory Group (Navy)

EWOBT Electronic Warfare On-board Trainer

EWOC Electronic Warfare Operation Center

EWOS Electronic Warfare Operational Shortfall; Electronic Warfare Operational Support (U.K.)

EWPE Electronic Warfare Preprocessing Equipment (Program)

EWPMT Electronic Warfare Planning and Management Tools (a segment of

<u>IEWS</u>)

EWR Early Warning Radar

EWRL <u>Electronic Warfare Reprogrammable Library</u>

EWS <u>Electronic Warfare Support</u> (formerly <u>ESM</u>)

EWSI Electronic Warfare Simulation

EWSP Electronic Warfare Self-Protection (*e.g.*, for helicopters)

EWSS Electronic Warfare Support System; EW Scenario Simulator

EWSSA Electronic Warfare Software Support Activity

EWTBB Electronic Warfare Transmitter Building Block

EWTES Electronic Warfare Threat Environment Simulator

EWTGU Electronic Warfare Technical Guidance Unit

EWTS-R Electronic Warfare Training System - Radar

EWTTR Electronic Warfare Test and Training Range (Turkish Air Force)

EWVA Electronic Warfare Vulnerability Assessment

EXACTO Extreme Accuracy Tasked Ordnance (*e.g.*, self-guided bullet for snipers *ca* 2013)

EXCEL Excellence through Commitment to Education and Learning (U.S. Navy program - *circa* 2002)

ExFOB Expeditionary Forward Operating Base (USMC)

EXIM EXport/IMport

EXINT Extraction/Insertion (*e.g.*, of personnel)

EXJAM Expendable Jammer

ExLS Extensible Launching System

EXPLAN Exercise Plan

EXPRESS Expedite the Processing of Experiments to the Space Station
