

Acronyms and Abbreviations

Researched and compiled by Joe Cyr (www.joe-cyr.com)

I

I-MAST Integrated sensor and communication suite (Netherlands Navy) (*e.g.*, truncated pyramid topside structure housing for ships)

I² Image Intensifier; Image Intensification; Image-Intensifying (system)

I²CM Integrated Interface Control Unit

I2O Information Innovation Office (DARPA)

I²R Imaging Infrared (also IIR)

I²SI Institute for Information Superiority and Innovation (located at the Naval Postgraduate School, Monterey, California)

I2WD Intelligence and Information Warfare Directorate (US Army)

SC²IP Installation Information Infrastructure Modernization Program;
Installation Information Infrastructure Modernization Plan (also I3MP)

I³S In-time Information Integration System

I-ASSURE Information Assurance (DISA)

I-FACT Indirect Fire Forward Air Control Trainer

I-SWARM Intelligent Small World Autonomous Robot for Micromanipulation

I/W Indications and Warning

I&Q In-phase and Quadrature (signal digitizer) [also IQ]

I-REMBASS Improved REMBASS

I&RTS Integration and Run Time Specifications

I&W Indications and Warning

IA Information Assurance; Information Awareness

IA&S Information Awareness and Survivability

IAAPS Integrated Army Active Protection System

IA/CND Information Assurance/Computer Network Defense (U.S. Army Military Occupation Specialty (MOS) for warrant officers, *ca* 2010)

IAD Integrated Access Devices

IADS Integrated Air Defense System

IAFIS Integrated Automatic Fingerprint Identification System (FBI)

IAG&C Integrated Adaptive Guidance & Control (USAF)

IAGC Instantaneous Automatic Gain Control

IAIP Information Analysis and Infrastructure Protection (*e.g.*, Homeland Security program, *ca* 2003)

IAM Inertially-Aided Munitions

IAMANET Intrinsically Assurable Mobile Ad hoc Network (*e.g.*, DARPA program *ca* 2008)

IANA Internet Assigned Number Authority (under Dept. of Commerce)

IAP Inter-Array Processor

IAR Infantry Automatic Rifle

IARPA Intelligence Advanced Research Project Activity

IARRCIS Interim Allied Command Europe Rapid Reaction Corps Information System

IA&S Information Awareness and Survivability

IAS Intelligent Assisting System; Indicated Air Speed; Intelligence Analysis System; Integrated Acoustic System

IASS Integrated Acoustic Sensor Suite

IAST Information Assurance Support Team (U.S. Army)

IAV Interim Armored Vehicle

IAVA Information Assurance Vulnerability Alert

IAW In Accordance With

IBACS Integrated Battleforce Area Communications System

IBAS Improved Bradley Acquisition System (gun sight)

IBAT Industrial Base Assessment Tools

IBCS Integrated [Air and Missile Defense] Battle Command System

IBCT Initial Brigade Combat Team; Infantry Brigade Combat Team

IBDS Integrated Biological Defence Systems (U.K.)

IBEPP Infantry Battalion Enhancement Period Program (*e.g.*, USMC Distributed Operations)

IBI Interbeat Interval (*e.g.*, the distance between two blips on a heart monitor)

IBIS Integrated Biometric Identification System

IBP Ion-Beam Processing

IBR Intelligence Broadcast Receiver

IBS Integrated Bridge System (ship); Intelligence Broadcasting System; Integrated Broadcast System; Integrated Battle Station (USAF)

IBU Inshore Boat Unit

IBW Intelligence-Based Warfare; Instantaneous Bandwidth

IC Integrated Circuit ; Internal Communications; Intelligence Community

IC MAP Intelligence Community Multi-Intelligence Acquisition Program (*ca* 2004) (Also ICMAP)

IC² Integrated Interior Communications and Control

IC2N Iraqi Command and Control Network (*ca* 2007)

IC⁴I Integration for Command, Control, Communications, Computers and Intelligence

ICAAS Integrated Control for Air-to-Air Superiority

ICAD Improved Control and Display

ICADS Integrated Cover and Deception System

ICAM Improved Chemical Agent Monitor

ICAN Interim Capability for Airborne Networking (*ca* 2005)

ICAO International Civil Aviation Organization

ICAP Improved CAPability

ICAS Integrated Condition Assessment System

ICBM Inter-Continental Ballistic Missile

ICC Integrated Command and Control (system)

ICCE Iraq Communications Coordination Element (*ca* 2007)

ICCS Interim Command and Control System

ICD Imitative Communication Deception; Initial Capabilities Document (*e.g.*, JCIDS document preparation)

ICDS Integrated Combat Direction System

ICE Information and Content Exchange (network protocol); Integrated Command Environment (Navy); In Case of Emergency (*e.g.*, a number stored in a cell phone under the name "ICE" for use by emergency first responders to call in event the cell-phone owner is incapacitated); Initial Communications Element; **IED** Countermeasures Equipment; Immigration and Customs Enforcement

ICEM Integrated Casualty Estimation Methodology

ICEWARS Integrated Communications Electronic Warfare Analysis and Radio Frequency Sensor (*e.g.*, used to create battlefield "emitter maps")

ICGS Integrated Coast Guard Systems

ICH International Countermeasures Handbook

ICI Interface Control Information

ICIDS Integrated Commercial Intrusion Detection System; Integrated Combat Identification System; Initial Capabilities Document (*e.g.*, JCIDS document preparation)

ICITE Intelligence Community Information Technology Enterprise

ICM Intelligence Collection Model; Interoperability, Commonality, and Modernization (NSA interoperability certification)

ICMAP Intelligence Community Multi-Intelligence Acquisition Program (*ca* 2004) (Also IC MAP)

ICMD Improved Countermeasure Dispenser

ICMP Inter-Computer Messaging Protocol; Internet Control Message Protocol

ICMS Incident Command Management System; Integrated CounterMeasures Suite

ICNIA Integrated Communications, Navigation & Identification Avionics

ICODE MDA International Collaborative Development for Enhanced Maritime Domain Awareness (*ca* 2012)

ICON Ionospheric Connection Explorer (*e.g.*, NASA mission)

ICP Inventory Control Point

ICR InterCooled Recuperated (gas turbine engine)

iCREW individual Counter-RCIED Electronic Warfare (*e.g.*, off-the-shelf IED jammer *ca* 2011)

ICRI Incident Commanders Radio Interface

ICS Interference Cancellation System; InterComm System

ICS-CERT Industrial Control System

iCSI Internet Small Computer System Interface

ICT Information and Communications Technology; Institute for Creative Technology (University of Southern California)

ICV Infantry Carrier Vehicle

ICW Interrupted Continuous Wave; Interactive CourseWare (for computer-based training)

ID Identification Interface Device

ID AMP Identification Amplification

IDA Integrated Detective Assembly (*e.g.*, used for capturing real-time imagery); Integrated Domain Awareness; Infrared Detector Assembly

IDAP Integrated Defensive Avionics Program

IDAPS Integrated Desktop Analysis and Planning System

IDART Information Design Assurance Red Team

IDAS Interactive Defensive Avionics System (changed to SOFDAS); Integrated Defensive Aids System (Switzerland); Integrated Aid Defence System (South Africa); Integrated Defensive Aids Suite (South Africa)

IDAS/MATT Interactivke Defensive Avionics System/Multi-Mission Advanced Tactical Terminal

IDB Intelligence Database; Integrated Database

IDC Initial Defense Capability (*e.g.*, Aegis); Information Dominance Center (NATO); Information Dominance Corps (USN)

IDE Integrated Drive Electronics (popular hard-drive interface)

IDE Integrated Digital Environment

IDECM Integrated Defensive Electronic Countermeasures; Integrated Depressive Electronic Countermeasures

IDECMS Integrated Defensive Electronic CounterMeasures System

IDENT Automated Biometrics Identification System (also known as ABIS)

IDES Intrusion Detection Expert System

IDF Infrared Decoy Flare; Israel Defense Forces

IDHS Intelligence Data Handling System

IDIQ Indefinite-Delivery / Indefinite-Quantity (also ID/IQ)

IDL Interoperable Data Link; Interface Definition Language (*e.g.*, in software communications architecture)

IDM Improved Data Modem; Interoperable Data Modem; Information Dissemination Management; Integrated Data Modem

IDMA Interference Division Multiple Access (*e.g.*, communications system)

IDNX Integrated Digital Network eXchange

IDOCS Intrusion Detection Optical Communication System

IDRC Inter-Deployment Readiness Cycle (Navy)

IDS Intrusion Detection System; Interface Design Specification; Industrial Display System; Integrated Deepwater System; Integrated Decoy System

IDSCS Initial Defense Satellite Communications System

IDT Independent Display Terminal; IFICS Data Terminal (NORAD)

IDTC Intermediate Deployment Training Cycle; InterDeployment Training Cycle

IDTS Integrated Data Transport System

IDW Intra-pulse-Descriptor-Word (ELINT pulse analysis)

IED Integrated Electric Drive (ship); Intelligent Electronic Device

IED Improvised Explosive Device (*e.g.*, terrorist "homemade bomb" device)

IED4 Improvised Explosive Device, Detection Decoy and Defense (also IED⁴)

IEDD Instruction and implementation of IED Disposal

IEDNA Improvised Explosive Device Network Analysis

IEEE Institute of Electrical and Electronic Engineers (formed by the merger of the IEE [Institute of Electrical Engineers] and the IRE [Institute of Radio Engineers] on January 1, 1963)

IEEE 802.3 Ethernet Protocol

IEEE 802.4 Token Bus Protocol

IEG Information Exchange Gateway (NATO concept)

IEM Integrated ESM Mast; Initial Entry Message (*e.g.*, containing a reference time signal)

IEMATTS Improved Emergency Message Automated Transmission System

I-EMI Intentional Electromagnetic Interference

IEMP Induced-current ElectroMagnetic Pulse; Induced ElectroMagnetic Pulse

IEPG Independent European Program Group

IEPS Internet Emergency Preference Scheme

IER Information Exchange Requirement

IES Inductive Energy Storage

IETM Interactive Electronic Technical Manual

IETV Interoperability, Experimentation, Testing and Valuation (NATO)

IEW&S Intelligence, Electronic Warfare & Sensors (U.S. Army)

IEW Intelligence and Electronic Warfare (U.S. Army)

IEWAS Intelligence, Electronic Warfare and Sensors

IEWCS IEW Common Sensor

IEWCSS IEW Common Sensor System

IEWS Integrated Electronic Warfare System (for U.S. Army, *ca* 2011, consists of Defensive Electronic Attack (DEA), Multifunction EW (MFEW), and the EW Planning and Management Tool (EWPMT))

IEWTPT IEW Tactical Proficiency Trainer

IF Intermediate Frequency; Intercept Facility

I-FACT Indirect Fire Forward Air Control Trainer

IFAV Interim Fast Attack Vehicle

IFBW Intermediate Frequency Band Width

IFCS Integrated Fire Control System

IFDL Intra-Flight Datalink

IFF Identification, Friend-or-Foe

IFFN Identification Friend-or-Foe-or-Neutral

IFF-RES Identification Friend-or-Foe – Radar Environment Simulator

IFICS In-Flight Interceptor Communications System

IFM Instantaneous Frequency Measurement

ILOG Interferometric Fiber Optic Gyroscope

IFOR Implementation Force (*e.g.*, Bosnia-Herzegovina)

Ifov Instantaneous Fields of View

IFR Instrument Flight Rules; In-Flight Refueling

IFRB International Frequency Regulation Board

IFSA International Fuzzy Systems Association

IFTP Integrated "Fight-Through" Power

IFTPS Integrated "Fight-Through" Power System (formerly IPS)

Ifts Infrared Targeting System; Integrated FLIR Targeting System

IFV Infantry Fighting Vehicle

IG Inverse Gain; Inspector General; Image Generator; Illumination Guidance

IGE In Ground Effect (helicopter hover term) See also OGE

IGBT Insulated-Gate Bipolar Transistor

IGR Improved GuardRail

IHADS Integrated helmet-mounted display system

IHAS Integrated Helmet Assembly Subsystem (for the "Electronically-Enhanced Soldier")

IHE Insensitive High Explosives

IHEWS Integrated Helicopter Electronic Warfare Suite; Integrated Helicopter Electronic Warfare System

IHFR Improved High Frequency Radio

IHIRSS Improved Hover Infrared Suppression System (Egypt)

IHPRPT Integrated High-Payoff Rocket Propulsion Technology

IHPTET Integrated High Performance Turbine Engine Technology

IIAP International Information Assurance Program

IIC Information Integration Center

IID Improvised Incendiary Device (*e.g.*, terrorist weapon, also called "smoky bomb" for dispersing radioactive material)

IIDBT Integrated Interactive Data Briefing Tool (*i.e.*, automated HTML commander's briefing)

IIG Instantaneous Inverse Gain

IIR Intelligence Information Report; Imaging InfraRed (also I²R)

IIT Infantry Immersion Trainer

IITS Intra-theater Imagery Transmission System

IJC ISAC Joint Command (NATO)

IKAROS Interplanetary Kitecraft Accelerated by Radiation Of the Sun (*e.g.*, NASA's *Nanosail-D* solar sail – *ca* 2011)

IL-DDD Interactive Link Data Diode Device

ILC International Leased Carrier (communications)

ILDS Inner-Layer Defence System (Sea Ram, U.K.)

ILEC Incumbent Local Exchange Carrier (*i.e.*, "local phone company")

Ii Ilyushin (Soviet aircraft manufacturer)

ILISS Integrated Logistics Information Support System

ILLCH ILLuminated CHaff

ILMS Inner Layer Missile System

ILS Integrated Logistic Support; Instrument Landing System; International Launch Services

IM InterModulation; Insensitive Munition; Instant Messaging

IM/IT Information Management / Information Technology

IMA Integrated Modular Avionics; Integrated Microwave Assemblies

IMAD Insensitive Munition Advanced Development

IMAGE Imager for Magnetopause-to-Aurora Global Exploration (NASA spacecraft)

IMAP Internet Mail Access Protocol

IMARSAT International Maritime Satellite

I-MAST Integrated sensor and communication suite (Netherlands Navy) (*e.g.*, truncated pyramid topside structure housing for ships)

IMAT Interactive Multisensor Analysis Training (Navy); Incident Management Assist Team (USCG)

IMC Instrumented Multispectral Cue; Integrated Maintenance Concept

IMCMEX International Mine Countermeasures Exercise

IMD InterModulation Distortion

IMD HUMS Integrated Mechanical Diagnostics Health and Usage Monitoring System

IMET International Military Education and Training

IMETS Integrated Meteorological System

IMEWS Integrated Multi-mission EW System

IMF Intelligent Mine Field

IMG Inter-Message Gap

IMI Israeli Military Industries

IMINT Imagery Intelligence

IMIS Integrated Maintenance Information System (*e.g.*, used in USAF Raptor program)

IM/IT Information Management / Information Technology

IMKA Initiative for Managing Knowledge Assets

IML Information Markup Language (A new version [2002] of XML)

IMM Interactive Multiple Model (*e.g.*, sensor tracking); Interacting Multiple Model

IMMACCS Integrated Marine Multi-Agent Command & Control System

IMMC Integrated Mission Management Computer

IMMSI Intelligent Multiplatform, MultiSensor Integration (USN)

IMO International Maritime Organization (unit of the U.N.)

IMOM Integrated Many Radars On Many Targets (model); Improved Many on Many (computer simulation of Electronic Warfare effects.)

IMP Interplanetary Monitoring Platform; Interface Message Protocol

IMPACC Information Management Processing and Coordination Center

IMPACT International Multilateral Partnership Against Cyber Terrorism (*ca* 2008)

IMPATT IMPact Avalanche and Transit Time (Solid state device)

IMPC Integrated Multi-Platform Countermeasures (U.K.)

IMPRINT Imagery Prototype Initiative

ImpSAR Impulse Synthetic Aperture Radar

IMS Ion Mobility Spectrometer (chemical agent detector); Information Management System; Intermediate Maintenance Service; Individual Mobility

System; Internet protocol Multimedia Subsystem

IMT Integrated Modeling and Test

IMU Inertial Measuring Unit; Inertial Measurement Unit

INADS Integrated Naval Air Defense Simulation

INC INternet Controller; Incorporated

INCA INterference CAnnullation

INCANS INterference CAnnullation System (*e.g.*, allows UHF communications while engaged in jamming)

INCAT International Catamaran

INCSPACE Incidents in Space (ca 2004 proposed international treaty similar to that covering incidents at sea)

INE In-Line Network Encryptor

iNET integrated Network Enhanced Telemetry

INEWS INtegrated Electronic Warfare System

INEWT INtegrated Electronic Warfare Trainer

INFANT Iroquois Night Fighter ANd Tracker (surveillance system)

INFINT INFormation INTelligence

INFOCON INFOrmation CONdition (analogous to DEFCON)

INFOSEC Information Security

INFOWAR Information Warfare (also INW, IW)

INFRA Infrastructure (NATO)

INLS Improved Navy Lighterage System (U.S. Transportation Command *ca* 2007)

INM Integrated Network Management

INMARSAT International Maritime Satellite

INOD Improved Night/day Observation Device

INS Inertial Navigation System; Inertial Navigation Set

InSb Indium Antimonide (*e.g.*, used in infrared detector technology)

INSCOM Intelligence and Security Command [US Army] (*ca* 2001)

INSS Integrated Navigation Sensor System

INSTINCT Investigating Novel Statistical Techniques to Identify Neurophysiological Correlates of Trustworthiness (e.g., IARPA program *ca* 2014 to predict a person's trustworthiness)

INT Intelligence; Integrated; Interrogative

INTEL Intelligence

INTELSAT International Telecommunications Satellite Consortium

InTop Integrated Topside (Navy)

INTOPS Interdiction Operations

INTSUM Intelligence Summary

INVEST INter Vehicle Embedded Simulation Technology

INW Information Warfare (also INFOWAR, IW)

IO Information Operations; Interoperability

I/O Input/Output

IOA Initial Operational Assessment

IOC Initial Operational Capability; Initial Output Controller

IOI Information Operations Institute

IOI LoB Infrastructure Optimization Initiative Line of Business

IOLA Ionization Of the Local Atmosphere

ION Integrated On-demand Network

IOOS Integrated Ocean Observation System (USCG/NOAA); Integrated

Ocean Observing System

IOS Instructor Operator Station; Internet Operating Software; Internetwork Operating System

IoT Internet of Things (a new field of Information Technology *ca* 2013)

IOTA Information Operations Technology Alliance (USAF)

IOTR Information Operations Technology Repository (USAF)

IOVSA Information Operations Vulnerability/Survivability Assessment (U.S. Army program *ca* 2001)

IP Initial Point (bombing term); Internet Protocol; Intellectual Property; Instructor Pilot; Impact Point (missile); Intelligent Peripheral (computer network)

IPA Instrumented Production Aircraft

IPB Illustrated Parts Breakdown; Intelligence Preparation of the Battlefield; Intelligence Preparation of the Battlespace

IPBE Internet Protocol/Bandwidth Expansion (*ca* 2010)

IPC Integrated Photonic Circuit (part of ACE)

IPD Integrated Product Development

IPDE Integrated Product Data Environment

IPDS Imagery Processing and Dissemination System; Improved Position Determining System

IPIX Interface Processor for Imagery EXchange

IPL Integrated Priority List

IPMS Integrated Platform Management System

IPP Inter-Pulse Period

IPPD Integrated Product & Process Development

iProTxS Integrated Protection and Transmission System (*e.g.*, integration of radios and jammers to enable communications in heavy jamming environments)

ca 2012)

IPS Integrated Power System (ship) [Note: replaced by the term Integrated "Fight-Through" Power System (IFTPS)." *circa* 2002]; Intrusion Prevention System

IPSE Integrated Project Support Environment; Integrated Programming Support Environment

IPSEC Internet Protocol Security

IPT Integrated Product Team; Internet Protocol Telephony

IPTD Integrated Product Team Development (USN)

IPv6 Internet Protocol version 6 (*ca* 2005)

IPW Instant Private Web

I&Q In-phase and Quadrature (signal digitizer)

IQ In-phase and Quadrature; Intelligence Quotient

IR Infrared

IR&D Independent Research and Development

IRA Impulse Radiating Antenna

IRAD Independent Research And Development; Internal Research And Development

IRADS Infrared Acquisition Designation System

IRAM Intelligent Random Access Memory

IRAMMP Infrared Analysis, Measurement and Modeling Program

IRAS Infrared Alerting System

IRC Internet Relay Chat (computer Internet protocol); Immediate Readiness Company

IRCCM Infrared Counter-CounterMeasures

IRCM Infrared Countermeasures

IRCS International Radio Call Sign

IRD Infrared Detection (probability)

IR&D Internal Research & Development

IRDD Infrared Distraction Decoy

IRDS Infrared Detecting System

IRDSS Infrared Defeating Smoke System

I-REMBASS Improved REMBASS (also IREM-BASS)

IREPS Infrared Refractive Effect Prediction System

IRF Initial Reaction Force

IRFPA Infrared Focal Plane Array

IRI Imagery Release Interface; Intercom Radio Interface

IRID Infrared IDentification

IRIG Inter-Range Instrumentation Group (*e.g.*, a GPS time code)

IRINT Infrared Intelligence

IRIS Infrared Imaging Subsystem - Thermal Imager; Integrated Router Interconnected Spectrally (DARPA optical packet router program *ca* 2004); Internet Protocol Router in Space (DoD project *ca* 2007); Internet Router in Space; Iris Recognition Immigration System (U.K., *ca* 2007)

IRL Intermec Reader Language (bar-code); Interactive Reader Language

IRLS Infrared Line Scanner

IRMWS Infrared Missile Warning System

IRON Integrated Radio-frequency Operations Network

IROS Internet Radio Operating System

IROS3 Integrated Radar/Optical Sighting and Surveillance System

IRP Impact Reactive Projectile (*e.g.*, shotgun round which penetrates only the

target, not passing through to become lethal beyond)

IRS Indian Remote Sensing (satellite)

IRSA Infrared Surface to Air

IRSL Infrared Searchlight

IRSP Instrumentation Radar Support Program

IRST Infrared Search and Track; Intelligence, Reconnaissance, Surveillance, and Tracking

IRSTD Infrared Search and Track Designation (System)

IRSIM Infrared Simulation

IRSTS Infrared Search and Track System

I&RTS Integration and Run Time Specifications

IRUVSMS Infrared Ultraviolet Stimulator Monitoring System

IRV Inter-Range Vector

IRVE Inflatable Reentry Vehicle Experiment

IRVMC Inland River Vessel Movement Center (USCG)

IS Indirect (frequency) Synthesis (as opposed to DS); Information Superiority; Integrated Sight (weapon sight)

ISABPS Integrated Submarine Automated Broadcast Processor System

ISAC Information Sharing and Analysis Center (DHS)

ISAF International Security Armed Force; International Security Assistance Force

ISAR Inverse Synthetic Aperture Radar

ISAT Integrated Situational Awareness & Targeting; Innovative Space-based (radar) Antenna Technology; Integrated Service Access Terminal

ISB Independent Side Band

ISC Integrated Ship Control

(ISC)² International Information Systems Security Certification Consortium

ISCS Integrated Ship Control System

ISDARS Instrumentation Sensor Data Acquisition and Reduction System

ISDN Integrated Services Digital Network

ISDS Infantry Self-Defense System; Integrated (Ship) Self-Defense System

ISF Information Strike Force (team formed to recover data lost when the Pentagon was damaged on 9/11/01)

ISI Intersymbol Interference

ISIC Immediate Superior in Command

ISIS Integrated Shipboard Information System; Integrated Submarine Imaging System; Integrated Sensor Is Structure (DARPA program *ca* 2006); Integrated Staff Information System (Netherlands); Islamic State of Iraq and Syria (also called Islamic State of Iraq and the Levant - ISIL)

ISLMM Improved Submarine-Launched Mobile Mine

ISM Industrial, Science, and Medical (radio frequency bands)

iSMART Interoperable Systems Management and Requirements Transformation

ISMS Integrated Survival Management System

ISMT Indoor Simulated Marksmanship Trainer (USMC)

ISNS International Satellite Navigation Service; Integrated Shipboard Network System

ISO International Standards Organization; Independent System Operator (an independent authority for managing electric power grids, *ca* 1990)

ISP Internet Service Provider; Integrated Sensing and Processing

ISPS Integrated Strike Planning System; Integrated Self-Protection System (*e.g.*, NATO); International Ship and Port Security

ISR Intelligence, Surveillance and Reconnaissance (*e.g.*, ISR BATMAN)

ISRISS ISR Information Service Server

ISRBM Intelligence, Surveillance and Reconnaissance Battle Management

ISS International Space Station ; Individual Soldier System (e.g., combination of tactical radio with night visioning system *ca* 2014)

ISSI Inter-Sub-System Interface (Dept of Justice)

ISSM Interim Semi-static Stability Model (*e.g.*, conflict modeling *ca* 2007)

ISSN Integrated Space Surveillance Network

ISST ICBMCBM SHE Satellite Terminal

ISSWG Infantry Skills Simulation Working Group (*e.g.*, for a USMC simulation program, *ca* 2007)

ISTAR Intelligence, Surveillance, Target-Acquisition and Reconnaissance (also employed as ISTAR-EW)

ISTC Integrated Soldier Tactical Computer

ISTF Integrated Systems Test Facility

ISW Integrated Strike Warfare

I-SWARM Intelligent Small World Autonomous Robot for Micromanipulation

ISYSCON Integrated SYStem CONtrol

IT Information Technology (*e.g.*, "IT-21, Information Technology for the 21st century")

ITAG Inertial Terrain-Aided Guidance

ITALD turbojet version of TALD; Improved Tactical Air Launched Decoy

ITALSAT - Italian (communications) Satellite

ITAR International Traffic in Arms Regulations

ITC Internet Traffic Control; Integrated Training Center

ITDA Integrated Tactical Decision Aid

ITEMS Imaging Technologies and Evolving Management Systems; Interactive

Tactical Environment Management System (Army)

ITEWS Integrated Tactical Electronic Warfare System

ITI Information Technology Infrastructure

ITM Internet Traffic Management

ITMS Information Technology Managed Services

ITO Indium Tin Oxide (used as thin layer on aircraft canopies to reflect RF signals)

ITOP Information Technology Omnibus Procurement

ITP Inside The Pentagon; Integrated Tactical Picture

ITQ Invitation To Qualify (*e.g.*, for on-line bids)

ITRON Industrial TRON

ITRT Individual Tactical Reporting Tool

ITS Independent Target System; Intelligent Tutoring System; Integrated Testing Strategies

ITSDN Integrated Tactical Strategic Data Network

ITSEC Information Technology Security Evaluation Criteria

ITT Integrated Test Team; Invitation To Tender (U.K.)

ITU International Telecommunication Union

ITV Improved TOW Vehicle; Internally Transportable Vehicle (*e.g.*, by aircraft); IN-TRANSIT VISIBILITY

ITW Integrated Threat Warning

ITW&AA Integrated Tactical Warning and Attack Assessment

ITX Integrated Training eXercise (USMC)

IU Illuminator Unit (*e.g.*, for a rifle)

IUAS Individual Unmanned Air Scout (*e.g.*, UAV)

IUCOMS Integrated ., UAV COMINT and Direction Finding System

IUELIS Integrated ., UAV ES/ELINT System

IUSS Integrated Undersea Surveillance System

IV&V Independent Verification and Validation

IVD Interactive Video Disk

IVHS Intelligent Vehicle/Highway System

IVIEW Integrated Virtual Environment for the Warfighter

IVIS InterVehicular Information System

IVRS Interactive Voice Response System

IW Information Warfare (also INFOWAR, INW); Integrated Waveform

IWARS Integrated Warfare Architecture Assessment

IWAS Information Warfare Aggression Squadron

IWBR Independent WideBand Repeater

IWD Intermediate-Water Depth (*e.g.*, mine)

IWEDA Integrated Weather Effects Decision Aid

IWN Integrated Wireless Network

IWS Integrated Weapon System (USN); Individual Warfighter System;
Imagery Work Station; Integrated Warfare System (USN); Installation Warning
System

IWSM Integrated Weapon Systems Management

IX miscellaneous ship

IXO Information Exploitation Office (DARPA)
